M.Arch- Regulation 17 (R 17)

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs) – FIVE PEOs

PEOs	PROGRAMME EDUCATIONAL OBJECTIVES
PEO1	To provide students with additional knowledge and skills as a conservation architect/ researcher/ teacher.
PEO 2	To enable students to add value to the process of architectural conservation by incorporating depth in already existing fields of study relevant to architectural conservation
PEO 3	To enable students to widen the scope of their professional abilities through additional fields of study that would enhance their knowledge in intellectual, creative, technical, social and environmental realms.
PEO 4	To enable students to take independent, informed and innovative decisions within the discipline of conservation architecture.
PEO5	To enable students to contribute to larger society through their future career as conservation architect/ researcher/ teacher.

PROGRAMME OUTCOMES (POs)- EIGHT POs

On successful completion of the programme,

POs	PROGRAMME OUTCOMES
PO 1	Graduates will demonstrate an all round skill in design and research in architectural conservation
PO 2	Graduates will be able to identify additional parameters/ issues within the context of architectural conservation and resolve them.
PO 3	Graduates will be able to resolve issues relating to conservation with due consideration to historical and environmental issues.

Dr. Raneel Vedamuthu
Director
Md.Sathak A.J. Academy of Architecture
Egattur, Chennai - 603 103.
